

HONORING DR. STUART DORSEY

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Mr. GONZALEZ of Texas. Madam Speaker, I rise today to honor Dr. Stuart Dorsey, an educator, an innovator, and a leader.

Dr. Dorsey currently serves as the President of Texas Lutheran University in Seguin, Texas. He began his tenure in the summer of 2011 and will conclude his work at TLU on June 30, 2019.

Dr. Dorsey's story is one that exhibits commitment and dedication at every turn. Dr. Dorsey earned his bachelor's degree in economics from the University of South Dakota. From there, he earned both his Master and doctor of philosophy in economics from Washington University in St. Louis, Missouri. He then served the public in the U.S. Department of Labor before joining the U.S. Senate Committee on Finance where he was the Committee's Chief Economist from 1982 to 1984.

Dr. Dorsey then began his career in academia as an associate professor of economics at West Virginia University. He went on to serve as Dean of the Faculty at Baker University in Kansas and then as Vice President for Academic Affairs at the University of Evansville in Indiana. Afterward, he served as the President of the University of Redlands in California until he became the President of Texas Lutheran University.

Over the past eight years, Dr. Dorsey oversaw tremendous change to the university's campus and culture. Under his leadership, the university completed a freshmen residence hall, a studio theatre, and a School of Music building. Dr. Dorsey also oversaw the completion of Bulldog Stadium, which has allowed the university to host football games and track and field events on campus for the first time in its history. Through these accomplishments, Dr. Dorsey has laid a strong foundation for the university to continue its success.

Furthermore, Dr. Dorsey expanded the university's academic influence by leading the creation of several new programs of study, including a popular undergraduate program in nursing and graduate programs in accounting, data analytics, and athletic training.

Dr. Dorsey has worked tirelessly to expand opportunities for the students and community of TLU. His unwavering devotion to his students' success is evident and furthered by his wife Michelle's equally impressive dedication to service. Through their combined efforts, the university was named a Great College to Work for seven years in a row.

Madam Speaker, Dr. Dorsey has worked endlessly to make a difference in the lives of Central Texans. His efforts have made him a pillar of the community and an example to us all. It is an honor to represent selfless, committed individuals like him. I wish him and his wife Michelle nothing but the best as they begin retirement in California.

HONORING OHIO'S LAW ENFORCEMENT AND EFFORTS TO KEEP THEM SAFE

HON. DAVID P. JOYCE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Mr. JOYCE of Ohio. Madam Speaker, I rise today to recognize the brave men and women of Ohio's law enforcement. As a former prosecutor, I know all too well the danger our heroes in blue face every day to protect us and our families, and I applaud the efforts made to ensure their safety.

Just the other night, in observance of National Police Week, I was proud to vote to reauthorize the Bulletproof Vest Partnership Grant Program, which provides critical resources to state, local and tribal jurisdictions to purchase bulletproof body armor for law enforcement officers.

For 30 years, bullet-resistant body armor has protected law enforcement officers. According to the Bureau of Justice Assistance, in 2012 alone, protective vests were directly attributable to saving the lives of at least 33 law enforcement and corrections officers in 20 different states.

However, much of the body armor used today slows down and fatigues our officers due to overbearing weight and discomfort levels. As arms and ammunitions continue to become more powerful, we must do the necessary research to develop next generation body armor that addresses these challenges.

I am proud to say that we have organizations in Ohio, like ShotStop, that are doing just that. Due to their light weight and dynamic material, ShotStop's bullet-resistant products create a safer environment for the brave men and women in blue who put their lives on the line every day to protect our communities.

Madam Speaker, please join me in applauding ShotStop and all other organizations that are working to ensure our officers are better equipped to return home safely to their loved ones at the end of each shift. I am proud to support Ohio's law enforcement officers, not just during National Police Week, but each and every day, and commend those who are doing all they can to protect them.

INTRODUCTION OF THE AFGHAN ALLIES PROTECTION ACT OF 2019**HON. EARL BLUMENAUER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Mr. BLUMENAUER. Madam Speaker, today I introduced the Afghan Allies Protection Act of 2019. This bipartisan legislation would authorize 4,000 Afghan Special Immigrant Visas and require the State Department to report to Congress on the obstacles to protecting Iraqi and Afghan allies as well as suggestions for improving the program.

Since 2002, the United States Government has employed thousands of Afghan and Iraqi allies to serve alongside U.S. troops, diplomats, and other government employees. As a result of their service, these allies and their families have become the targets of anti-American persecution and violence. As U.S.

Government agencies and personnel continue to rely on local partners to ensure critical mission capabilities, Afghan and Iraqi partners continue to be threatened, abducted, or assassinated for their willingness to assist the United States.

With broad bipartisan support, Congress created two Special Immigrant Visa (SIV) programs to provide pathways to safety for Iraqis and Afghans whose work with and allegiance to the U.S. Government has exposed them to direct threats, jeopardizing their safety and that of their loved ones. Although the Iraqi SIV program stopped accepting new applications in 2014, the Afghan SIV program continues protecting Afghan allies to this day.

In recent years, the SIV applicant backlog has continued to grow while Congress has struggled to allot enough visas to bring our allies to safety in the United States. While the recent Fiscal Year 2019 omnibus spending bill authorized 3,500 SIVs, the backlog remains at nearly 20,000 Afghans. Worse, the processing times for existing applications has slowed dramatically, forcing many to wait for years while living in fear of being targeted. Due to these issues and others facing the program, SIV arrivals have fallen by more than half over the last fiscal year.

This legislation makes more visas available for the thousands of applicants in the pipeline and starts the process of improving the program so our allies can be brought to safety faster. The safety of these brave men and women, security of our troops, and our international standing depend on the United States be true to our word. We can't leave anyone behind.
